

Dear Valued Customer,

Residential Refuse and Recycling Services are provided to all Upland residents through weekly collections by Burrtec Waste Industries. Due to rising collection, processing and disposal costs, we find it necessary to adjust the monthly service collection fee. This adjustment is within the guidelines set and approved by the City of Upland and will become effective December 1, 2015. We thank you for your continued support and appreciate your understanding and cooperation.

For additional information, please contact our Customer Service Department at (909) 931-4150.
